ABOUT US

TEAM

Oxy Homez is a pilot Group Housing Project by **Super Realtech Private Limited**, a company incorporated under Companies Act 1956. Though The Company is new as a Developer but it has vast experience of almost 15 years in the construction line. The company has new mind set and all the fresh ideas that will give them a boost in the field of Real Estate. The Promoters have put in a lot of hard work and toil in creating more than hundred commercial buildings that have been made with uncompromised quality, affordable price and great location. Several Housing projects in East Delhi, Residential Housing complex at Shalimar Garden, Commercial complex in Mayur Vihar and office cum-shopping complex in Jaipur are among some of the successfully completed and delivered by the Promoters. The team of professionals behind **Super Realtech Private Limited** is highly experienced and proficient in their field and there goes no doubt in saying that they are the masters in their field.

The one word that explains the mission and vision of the company is FAITH i.e.
F-Fairness,
A-Assurance of Affordability,
I-Innovations,
T-Trustworthiness,
H-Happiness.

ABOUT PROJECT & LOCATION

“A new destination, a new location, a new idea all get together in Dilshad Extension.”

Oxy Homez is well placed in the Ghaziabad city that has witnessed tremendous growth in the last 20 years. The location is well connected from Delhi and is around 4.8 kms from the nearest metro station & proposed metro station is 1.5 kms. The road that leads to the Project is of four lane and transportation facility would be available from the main gates of the **Oxy Homez**. The surrounding area is under massive development and several housing projects by Private builders and Awas Vikas Societies would be coming up soon. National Institute of Fashion Designing and Technology is also setting up their ambitious Campus adjoining the project.

The major industries of Ghaziabad are the Manufacturing Industries comprising manufacturers of railway coaches, bicycles, tapestries, diesel engines, glassware, heavy chains, pottery and many more.

Presently a huge number of shopping malls and multiplexes are being constructed in the city. On the other hand, the flyovers have improved the traffic congestions. According to the report of 2006, this city has been included among the 10 most dynamic Indian cities around the globe.

The educational facilities offered in Ghaziabad is commendable. It houses a series of reputed Management institutions, Medical and engineering colleges. In true sense, Ghaziabad is a prosperous city.

With the course of time the medical and health centers are growing at a fast pace. Apart from the health care centers in Ghaziabad, the habitants of the **Oxy Homez** can also avail health care facilities from GTB Hospital and Rajeev Gandhi Multi

DESIGN & ARCHITECTURE (ANUJ AGARWAL ARCHITECTS PVT. LTD.)

As a well-crafted suit gives an individual a gentleman look, similarly a well designed house gives it a homely feel. The entire onus is on the creativity of architect who has designed the entire project. Thus, it is important for any Project to have the best of the Architect who is well versed and experienced in designing homes that are technically strong and esthetically challenging. **Oxy Homez** is proud to be designed and crafted by **ANUJ AGARWAL ARCHITECTS PVT. LTD.**

A name that is established since 1996 and has been successfully providing consultancy in the field of architecture and has executed projects of various nature like Group housing schemes, Townships, Apartments, Residences, Hospitals, Institutes, Ashrams, Commercial complexes and Factory Buildings. The name is synonymous with the development of Ghaziabad and it is needless to say that the firm is the most preferred Architectural firm of Developers in Noida and Ghaziabad.

Visit www.superrealtech.com/architect for more information on architect.

DEVELOPMENT & CONSTRUCTION (KAMAL & ASSOCIATES PVT. LTD)

As quoted by –Oscar Arias Sanchez “The More freedom we enjoy the greater responsibility we bear towards others as well as ourselves”.

A well-designed and crafted project is worthless till it is brought to realty with the best mix of the bricks, mortar, technology, skills, personal input and expertise. **Oxy Homez** is fortunate enough to be constructed and developed by one of the best construction company of Delhi/NCR, **M/s KAMAL & ASSOCIATES PVT. LTD.** The company has the complete expertise and motivated team that puts it 100% in delivering the highest quality standards. The company has indigenized the latest global technologies to local conditions and terrain to extract maximum results. And the tangible benefits are being experienced in various parts of the country.

The company specializes in large-scale civil constructions by leveraging new age construction technologies. For over a decade, they have been a part of prestigious projects across a multitude of vertical, creating everything from roads, hotels, hospitals, Apartments and several commercial & infrastructure projects.
